RTD Wine Good for a Year

Ready-to-drink wine is finally available with a 12-month shelf life! Copa Di Vino's revolutionary package provides a wine appropriate experience with no other glass needed. Copa Di Vino's ease of delivery increases speed of wine service and eliminates the cost for glassware or additional cups, cleaning and waste. No more throwing out bad bottles. Reduce your shrink by using Copa single serve. Open only what you sell. Increase your wine sales as Copa's glasses are easy to display, whether in an ice bucket or on a counter. Additionally, they are attractive and easy to hold, eliminate breakage, offer a stable base, support sustainability by being made from #1 PET hard molded, recyclable plastic, and offer a re-sealable cap. Wine inside the Copa glass offers a unique sense of place and quality, primarily sourced from WA State. Find out more at www.copadivino.com or give us a call at 541-298-8900.
