April 2010:

Copa di Vino received the honor of

**Finalist**

from the Oregon Angel Fund

The Oregon Angel Fund (OAF) is a highly structured, professionally managed, investor-driven angel fund. The fund provides accredited investors privileged access to the most promising startups and early-stage growth companies in Oregon and SW Washington. Investors in OAF receive memberships in either the Portland Angel Network (PAN) or the Womens Investment Network (WIN), both run by the Oregon Entrepreneurs Network (OEN).

**The Oregon Angel Fund due diligence process was thorough and demanding, but also extremely helpful. As with most things, it's the people, and OAF has amazing people as both fund managers and investors who really add value to a growing company beyond the financial investment." - Nik Blosser, President, Celilo Group Media**
